Materials Accepted at the Bin Sites:

Newspapers
-Dry, clean. No bags, bindings, twine

Magazines & Catalogs
-Dry, clean. No bags, bindings, twine.

Corrugated Cardboard
-Dry, flattened. No pressboard boxes.

Aluminum & Bi-Metal Cans
-Rinsed, flattened. No other metal objects.

#1 & #2 Plastics (PETE & HDPE)
-Bottles & Jugs ONLY. No other containers.

NO OTHER MATERIALS ARE ACCEPTED AT THE BINS. Please do not bring other material to the sites. Leaving items outside the bins is considered illegal dumping and can cause tripping hazards to fellow recyclers.

Recycling at the Solid Waste Authority Office

507 Manor Drive, Ebensburg, PA Phone: (814) 472-2109 www.cambriarecycles.org

Did you know that there is now a landfill ban on certain electronics? Televisions and computer equipment can no longer go out with the trash. But not to worry, the Solid Waste Authority has it covered! Simply bring your old electronics to our office in Ebensburg Monday-Friday, 9am-4pm and recycle them for FREE!

Accepted Electronics Include:

- Computers (monitors, CPUs, all peripherals)
- TVs
- CD/MP3 players
- VHS/DVD players
- Gaming consoles
- Stereo equipment (not speakers)
- Printers/fax machines/copiers
- Cell phones, pagers, modems

Also accepted at the office for recycling:

- Monofilament Fishing Line & Spools
- Mercury / Mercury-containing Devices
- Rechargeable NiCAD & Lithium Batteries
- Compact Fluorescent Lightbulbs (CFLs)
- Books
